Re: MUR 5611

Dear Ms. Mizuno:

Pursuant to the conciliation agreement between the Missouri Democratic State Committee and the Commission in the above-referenced matter, enclosed please find two checks payable to the Commission in the amounts of \$12,389.63 and \$36.70, respectively, in partial satisfaction of the civil penalty imposed by the agreement.

These checks represent all the funds now available to the Party, which has had difficulty in recent months in raising funds. The Party expected to have the funds available to pay the full amount of the penalty when it executed the agreement; it has tried in good faith to raise or otherwise borrow the necessary funds. My client informs me that it is committed to pay the full amount of the penalty on a realistic schedule acceptable to the Commission, and that it views such payment as a commitment superior to all other financial obligations. The Party would appreciate whatever forbearance the Commission deems appropriate in order to accommodate its financial condition, and is willing to provide additional information toward this end if desired. Per our telephone conversation today, we will tender a formal, written request for extension as soon as possible.

I have also enclosed the amendments to the Party's 2000 election cycle reports that were called for by the Agreement, as well as a copy of the Party's consulting agreement with Whitney Wyatt Burns. Thank you for your attention to this matter, and please do not hesitate to contact me directly should you wish to discuss it further.

Sincerely,

Brian G. Svoboda
Counsel to the Missouri Democratic State Committee
